*** If you intend to audit, rather than participate:** Auditing is not available until the participant seats are filled. To maximize your experience, we strongly recommend that individuals attend as participants. (NOTE: In Tune with Shakespeare and US/China will accommodate only participants, no auditors.)

** These symposia will be filled on a first-come first-served basis. However, due to the likelihood of over subscription, if you have registered for more than one symposium, please prioritize your selections in order of preference (1 being the highest priority). **To ensure optimum availability in symposia, please submit your registration form no later than June 15, 2011.** A confirmation letter will be sent to you to verify registrations.

*** The symposium runs over three separate half-day sessions. Concert tickets not included in registration fee.
