
CLEARPATH | CLEAN ENERGY.
THE CONSERVATIVE WAY.

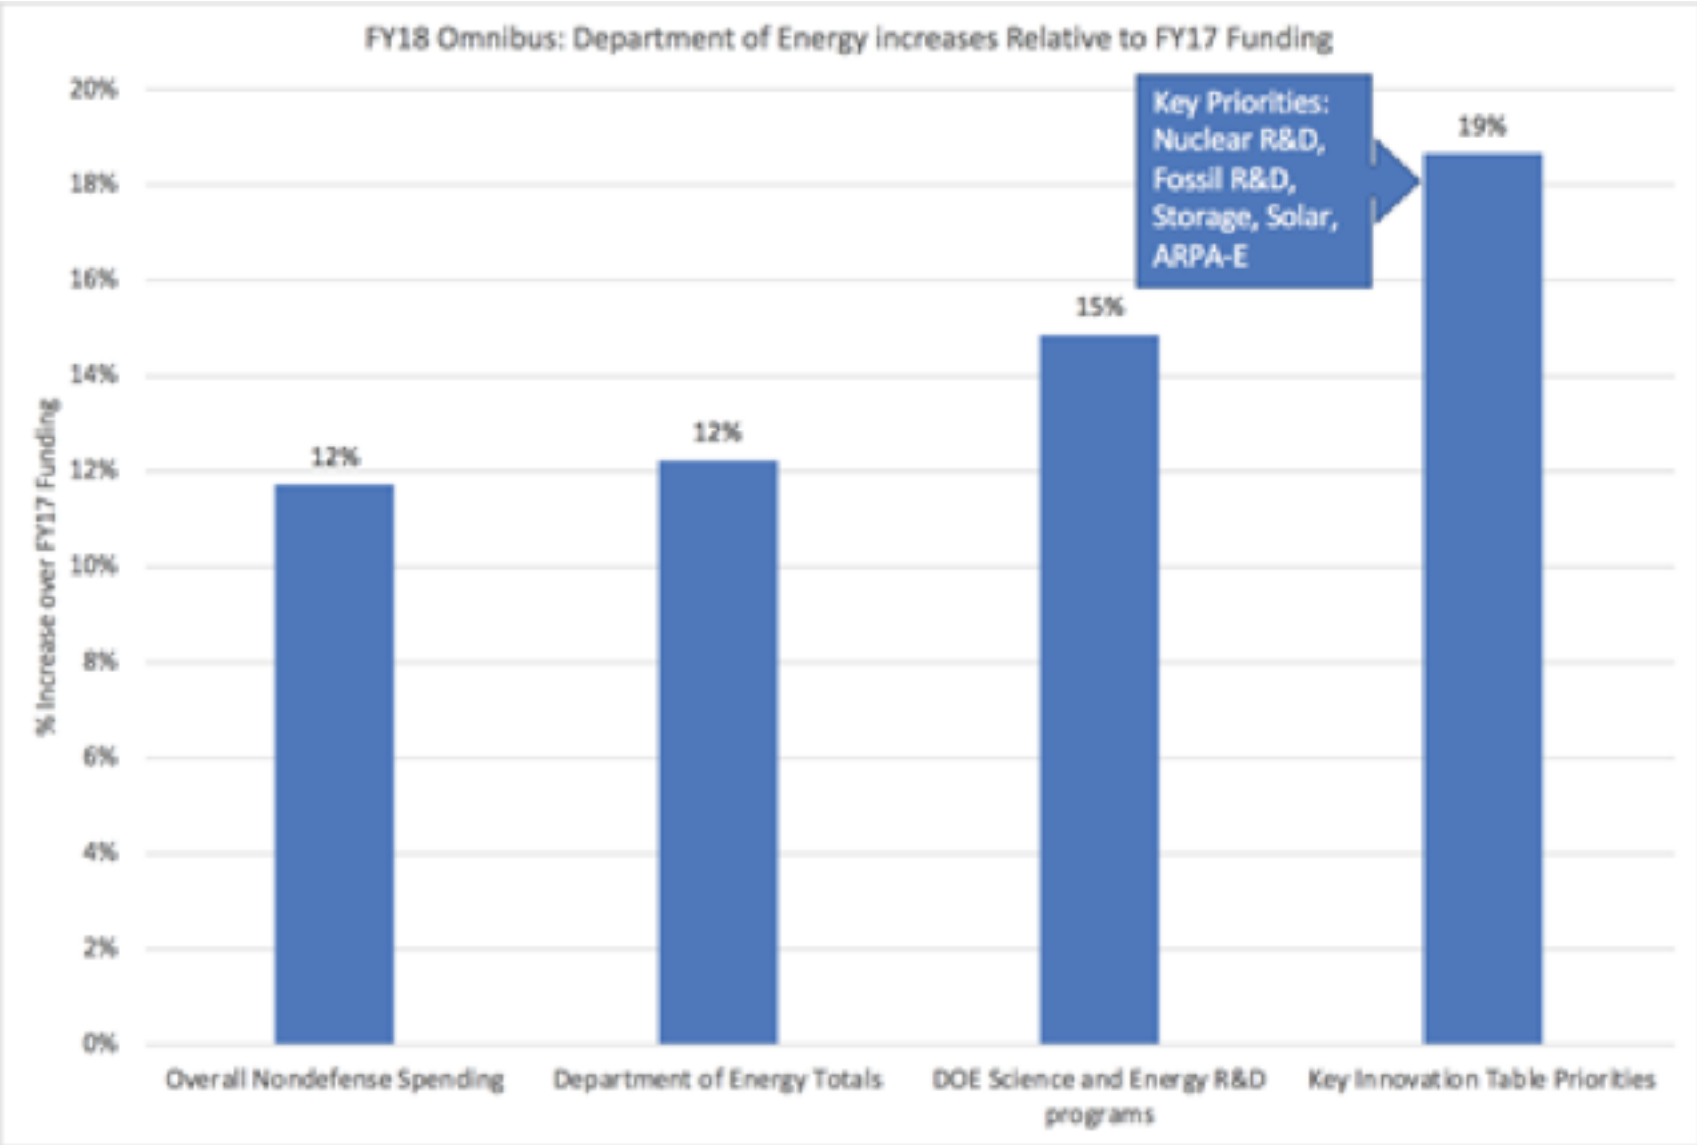

**OUR MISSION IS TO ACCELERATE CONSERVATIVE CLEAN ENERGY
SOLUTIONS**

Results greatly exceeded expectations: FY18 was very large increase to Federal clean energy R&D, against dramatic proposed White House cuts

FY18 built on last Obama deal, ignoring Trump budget

Key innovation priorities outperformed, even within DOE

House and Senate have yet to conference their FY19 bills, but bills passed by each chamber this month further strengthen our priorities
