

# If you do not give up the crowds

by Shaikh Abu Saeed Abil Kheir  
(967-1049 AD)

---

If you do not give up the crowds  
you won't find your way to Oneness.

If you do not drop your self  
you won't find your true worth.

If you do not offer all you  
have to the Beloved,  
you will live this life free of that  
pain which makes it worth living.
