

# The Gods Are Here

By Jean Toomer

---

This is no mountain  
But a house,  
No rock of solitude  
5 But a family chair,  
No wilds  
But life appearing  
As life anywhere domesticated,  
Yet I know the gods are here,  
10 And that if I touch them  
I will arise  
And take majesty into the kitchen.
