

Forever Young

By Bob Dylan

5 May God bless and keep you always
May your wishes all come true
May you always do for others
And let others do for you

10 May you build a ladder to the stars
And climb on every rung

15 And may you stay
Forever young
Forever young
Forever young
May you stay
Forever young

20 May you grow up to be righteous
May you grow up to be true
May you always know the truth
And see the lights surrounding you

25 May you always be courageous
Stand upright and be strong

30 And may you stay
Forever young
Forever young
Forever young
May you stay
Forever young

35 May your hands always be busy
May your feet always be swift
May you have a strong foundation
When the winds of changes shift

40 May your heart always be joyful
May your song always be sung

45 And may you stay
Forever young
Forever young
Forever young
May you stay
Forever young
