

Executive Actions to Support Inclusive Recovery in Cities

Cross-Cutting Themes

- Racial equity: recognition, policy signaling, and action
- Leveraging pandemic response to achieve inclusive recovery
- Reversing Trump policies that obstructed local progress towards equity goals
- Restoring federal-local partnerships and providing data and resources to achieve equity goals
- Whole-of-government approach and interagency collaboration

Looking Ahead

- Emphasis on 4 big themes of campaign and transition: COVID-19 public health response; inclusive economic recovery; racial equity; and climate mitigation and adaptation
- Major investments in housing, including expansion of Housing Choice Voucher program
- Major investments in transportation and infrastructure, with focus on jobs creation, green energy, broadband and climate
- Major investments in workforce, including job training and reskilling and improving workplace standards
- Relaunching and improving interagency neighborhood reinvestment initiatives
