

Our Covid Pledge

What we do to protect our diners and workers from Covid-19

We will: Make sure all restaurant workers **wear masks at all times**, and all guests wear masks at all times when not eating, especially when interacting with workers

Space tables **at least six feet apart** as measured from chairback to chairback, and stay within local guidance for maximum seating capacity

Make sure **ventilation systems** are functioning properly, clean, and operating whenever workers or diners are on the premises; and increase air filtration and fresh air circulation to the maximum possible extent

Screen all restaurant workers for symptoms every day; screen arriving diners and help them make a future reservation if they have had Covid symptoms in the previous 10 days or been exposed to anyone with Covid in the previous two weeks

Make sure all restaurant workers **wash or sanitize their hands** frequently, and frequently clean and sanitize high-touch surfaces and objects

Make sure all restaurant workers maintain a distance of **at least 6 feet from other people** when possible, and all diners maintain a distance of at least 6 feet from people outside their party
