

Federal Broadband Funding Opportunities

Uses Key	Deployment	Construction and improvement of infrastructure
	Devices	Provision of computers and tablets
	Affordability	Cost support programs, provision of free/reduced cost connectivity
	Inclusion	Digital literacy training, digital skills training, tech support

	Program Name	Agency	Type	Amount	Recipients	Timeline	Uses	Resources
Infrastructure Investment and Jobs Act (IIJA) Signed into law November 15, 2021. \$12.2 trillion total	Broadband Equity, Access, and Deployment Program (BEAD) Block grants to states; each will get at least \$100 million. Eligible uses include: deploying infrastructure to underserved areas; providing affordable devices; mapping and planning; installing/providing wifi for multifamily residential buildings; and other projects determined by NTIA. Deployment must: first prioritize areas where 80% residents lack 25/3, then areas where 80% lack 100/20; offer 100/20 speeds; provide a low-cost option; and not exclude municipal and cooperative providers. Subgrants should use 25% matching funds, but in-kind or CARES/ARPA funds are acceptable. State planning must demonstrate coordination with local stakeholders.	NTIA	Formula allocation	\$42,450,000,000	Block grants to states (or administering agency selected by governor), territories, and tribes. Funds may be subgranted.	NOFO likely by end of May 2022. Funding likely available in 2023 and after FCC releases new maps.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input checked="" type="checkbox"/> Inclusion	Benton Analysis K&H Analysis MDU Uses NCTA FBA Playbook NCTA Tracker
	State Digital Equity Capacity Grant Program This program consists of two subprograms: one \$60 million program to support the development of state digital equity plans, and a second \$1.4 billion program to fund the implementation of those plans. To be eligible for the second program, a state must have its digital equity plan approved by the NTIA. These plans must include: measurable objectives for promoting internet adoption in vulnerable populations; assessments of plan's impact on state goals for the economy, workforce, education, health, and civil society; and identification of and collaboration with stakeholders.	NTIA	Formula allocation	\$1,500,000,000	Block grants to states (or administering agency selected by governor), territories, and tribes. Funds may be subgranted.	\$60m for planning available in FY2022. \$1.4 b available between FY 2022-2026. States have 5 years to spend awards.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input checked="" type="checkbox"/> Inclusion	Benton Analysis NDIA Webinar Telecompetitor
	Digital Equity Competitive Grant Program Public and private entities (except for those state agencies that receive allocations from the above program) may apply to the NTIA for grants from this program. Eligible uses include: digital inclusion activities; digital navigators; workforce training programs; low-cost devices; and deployment of public broadband. NTIA will prioritize projects that: expand access and adoption among vulnerable populations; represent geographically diverse regions; and do not duplicate other programs. Awardees must submit regular program evaluations to NTIA.	NTIA	Competitive grant	\$1,250,000,000	Public entities, private companies, nonprofits, and cooperatives. State entities that receive State Digital Equity Capacity grants are ineligible.	\$250m available per year FY 2022-2026. Awardees will submit annual evaluation reports. Grants must be spent within four years.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input checked="" type="checkbox"/> Inclusion	Benton Analysis NDIA Webinar Telecompetitor
	Middle Mile Grants Program Funds middle mile projects that reduce the cost of connecting un/underserved areas and/or promote resiliency by creating redundant network connections. Priority is given to projects that: adopt fiscally sustainable strategies; offer non-discriminatory interconnection to last-mile providers; collaborate with partners that will provide financially sustainable last-mile service; utilize other forms of support (e.g. waived permitting fees); and benefit national security and the DoD.	NTIA	Competitive grant	\$1,000,000,000	State/local governments, tribes, private companies, public utilities, nonprofits, cooperatives, consortia.	NOFO likely by end of May 2022. Funds available until Sep. 30, 2026	<input checked="" type="checkbox"/> Deployment <input type="checkbox"/> Devices <input type="checkbox"/> Affordability <input type="checkbox"/> Inclusion	Benton Analysis K&H Analysis
	Extension and Modification of Emergency Broadband Benefit (ACPP) Makes the Emergency Broadband Benefit permanent and renames it to the "Affordable Connectivity Program." Decreases the benefit amount from \$50/mo to \$30/mo and changes some eligibility criteria. Participating ISPs must: promote the benefit; allow the benefit to be applied to any service offering; notify subscribers of the transition; and implement new consumer protections.	FCC	Consumer subsidy	\$14,200,000,000	Consumers and participating ISPs. Devices must be purchased through ISPs (note: some ISPs do not offer devices).	Transition from EBB to ACP on Dec. 31, 2021. ACP lasts until funds exhausted.	<input type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input type="checkbox"/> Inclusion	Benton Analysis Common Sense Page Telecompetitor
	Continuation and Modification of Emergency Broadband Benefit (CAA21) Continuation of Tribal Broadband Connectivity Program (CAA21)	NTIA	Competitive grant	\$2,000,000,000	Tribal governments, organizations, and universities	Not currently accepting applications. First awards made in Nov. 2021, and remainder expected by Spring 2022.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input checked="" type="checkbox"/> Inclusion	Benton Analysis Original NOFO NTIA Page
	Coronavirus Capital Projects Fund Block grants to states; each state will get at least \$100 million. Eligible uses include: deploying infrastructure to areas that lack reliable wireline speeds of 100/20 and/or where service is unaffordable for a majority of residents; fostering adoption with low/no-cost devices, free wi-fi, digital literacy training, and tech support; and building or improving community anchor institutions to enable public internet access. Deployment projects should: offer a low-cost option; accept ACP/Lifeline; deliver 100/100 where possible; and prioritize last mile connections. Treasury encourages use of public, nonprofit, and cooperative networks. No matching requirements.	Treasury	Formula allocation	\$10,000,000,000	Block grants to states (or administering agency selected by governor), territories, and tribes. Funds may be subgranted.	Request funding from Sep. 24 - Dec. 27, 2021 (Tribes Oct. 1 - June 1, 2022). Submit grant plan by Sept. 24, 2022. Funds must be expended by Dec. 31, 2026.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input checked="" type="checkbox"/> Inclusion	Treasury Overview State Allocations Treasury Rules NDIA Analysis Benton Analysis Pots and Pans
	Coronavirus State and Local Fiscal Recovery Fund (SLFRF) Block grants to state/county/city governments for general COVID-19 relief, but recipients may use funds on broadband infrastructure, digital literacy training, and other programs that promote access to the internet. Projects should: prioritize areas with an identified need for additional broadband infrastructure investment (note: there is no specific speed requirement); prioritize last mile connections; deliver speeds of 100/100 and use fiber technology wherever feasible; offer low-cost service options; and encourage public, nonprofit, and cooperative service providers. RDOF and other grant areas are eligible for funding.	Treasury	Formula allocation	\$350,000,000,000	Block grants to states, territories, tribes, metropolitan areas, and counties. Funds may be subgranted.	Treasury is accepting submissions. Funds should be incurred by Dec. 31, 2024. Projects should be completed by Dec. 31, 2026.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input checked="" type="checkbox"/> Inclusion	Treasury Overview Treasury Rules NCSI Tracker Pots and Pans ILSR Projects List
	Emergency Connectivity Fund (ECF) Intended to support remote education. Eligible schools and libraries apply to be reimbursed for costs associated with providing devices, hotspots, and internet service (including service to student homes) between July 1, 2021 and June 30, 2022 (future funding rounds may expand this window). *Spending on infrastructure is allowed only where infrastructure not otherwise available.	FCC	Competitive grant	\$7,170,000,000	Schools, libraries, consortia that qualify for E-Rate and/or the Libraries Services and Technology Act.	The first two application windows have closed. A third window may be announced for the remaining ~\$1 billion.	<input checked="" type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input type="checkbox"/> Inclusion	ECC Overview Common Sense Page Misconceptions Approved Grants
	Homeowner Assistance Fund (HAF) Intended to help mid- and low-income homeowners who have experienced financial hardship after January 21, 2020. Each state receives a formula-determined allocation and may use it to help homeowners with eligible expenses. May be used to help homeowners pay for internet service.	Treasury	Formula allocation	\$9,900,000,000	States, territories, and Tribes. Elementary & Secondary School Emergency Relief (ESSER III) Intended to help educational agencies and school districts operate safely and address the impact of the pandemic. Funding distributed to state educational agencies (SEAs) via formula, and SEAs provide subgrants to local educational agencies (LEAs). Funds may be used on hardware, software, and connectivity for students.	OESE	Title I formula	\$122,700,000,000	State educational agencies (SEAs) and then subgrants to local educational agencies (LEAs).	All funds awarded as of Sept. 30, 2021. Funds must be obligated by Sept. 30, 2022.	<input type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input type="checkbox"/> Inclusion	OESE Overview	
American Rescue Plan Act (ARPA) Signed into law March 11, 2021. \$1.9 trillion total	Emergency Broadband Benefit Program (EBB) Provides eligible low-income households with a monthly benefit up to \$50 for broadband service (\$75 on Tribal lands) and a one-time benefit of \$100 for purchase of a device (if the recipient also contributes \$10-\$50). Households eligible if they: fall below 135% of federal poverty level; receive certain federal assistance (Lifeline, Medicaid, SNAP, free/reduced-price lunch, Pell Grant, certain Tribal programs, etc.); or participate in an ISP's low-income program.	FCC	Consumer subsidy	\$3,200,000,000	Participating ISPs. Devices must be purchased through ISPs (note: some ISPs do not offer devices).	Enrollment began May 2021. Program was transitioned into the Affordable Connectivity Program on Dec. 31, 2021.	<input type="checkbox"/> Deployment <input checked="" type="checkbox"/> Devices <input checked="" type="checkbox"/> Affordability <input type="checkbox"/> Inclusion	ECC Overview NDIA Explainer Common Sense Page Provider Finder
	Broadband Infrastructure Grant Program Grants for broadband infrastructure in predominantly rural areas with less than 25/3 and in which no entity is receiving federal or state funding to build infrastructure.	NTIA	Competitive grant	\$288,000,000	Partnerships between governments and fixed broadband providers, including public, nonprofit, and cooperative providers.	Not currently accepting applications.
