OPTION 2: PERSONALIZED

I'm **(your name)** and I'm a **(your sport)** player.

I believe every child should have the opportunity to develop through sports. I've joined hundreds of athletes in calling for sport to be treated as a human right for all youth, regardless of background or ability.

There are eight rights in the Children's Bill of Rights, as developed by the Aspen Institute's Project Play. The one that resonates most with me is the right **(pick one)**:

1. *To play sports.*
2. *To safe and healthy environments.*
3. *To qualified program leaders.*
4. *To developmentally appropriate play.*
5. *To share in the planning and delivery of their activities.*
6. *To an equal opportunity for personal growth.*
7. *To be treated with dignity.*
8. *To enjoy themselves.*

Describe your connection to the right you chose and why it's important to you.

Join me in ensuring the rights of all children are respected in sports. Find our petition, and more resources, at ProjectPlay.US.

OPTION 3: PARTNER

We're proud to join athletes in supporting the Children's Bill of Rights in Sport, driven by [@AspenInstSports](#) [#ProjectPlay](#). We're working together because every kid deserves access to a great sports experience.
